

BUILT FOR NIGERIAN SCHOOLS — JSS TO SSS

Run your entire school from one cloud platform

Edutrack unifies report cards, grading matrices, attendance, fee management, teacher payroll and a parent portal — in one secure system your whole school can use from any phone, tablet or computer.

Automated Report Cards

Branded A4 PDF with class position & remarks — in one click.

Instant Grading Matrix

CA 40 + Exam 60 — totals & grades compute as you type.

Daily Attendance

One-tap registers per class arm, flowing onto report cards.

Fee Management

Live balances, auto receipts and a defaulter list.

Teacher Payroll

Paid / pending at a glance — no spreadsheet reconciliation.

Parent Portal

Results, attendance, fee balances & Pay Now online.

Secure & Multi-Tenant

Every school fully isolated — your data stays yours.

Installable App

Pin Edutrack to Android & Windows like a native app.

01

Register

your school in under a minute

02

Onboard

class arms, term & branding

03

Add people

teachers, students & parents

04

Grade & grow

mark, collect & print report cards

● **Free pilot term for your school — no card required.** Most schools go live in under a week.
